SUBJECT: **The Role of Sustainability Criteria and Trade in the Global Plastics Instrument Webinar**

Dear Focal Points,

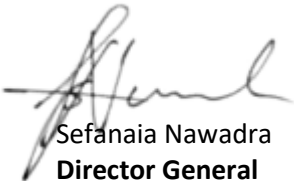

The Secretariat wishes to invite SPREP Members to participate in the upcoming virtual Webinar on the Role of Sustainability Criteria and Trade in the Global Plastics Instrument on Thursday 10th of August at 4:30pm – 6:00pm Samoa time. The objectives of the webinar are to:

- Identify core mechanisms of the plastics instrument that are key to non-manufacturing countries; and
- Identify fundamental deliverables of the instrument to help assess if the draft text is fit-for-purpose for the Pacific Region.

Please find attached the Flyer containing information on the registration link and the agenda for the webinar.

For further information regarding the webinar, please contact Mr. Anthony Talouli, Director of Waste Management and Pollution Control Programme (WMPC) at anthonyt@sprep.org and Ms. Davina Tiitii, WMPC Programme Assistant at davinat@sprep.org.

Yours sincerely,

Sefanaia Nawadra
Director General
