SUBJECT: CONSULTATIONS FOR REVIEW OF THE CORE FUNDING STRUCTURE OF SPREP AND TO ASSIST IN THE DEVELOPMENT OF ITS FINANCE & RESOURCE SUSTAINABILITY STRATEGY

Dear SPREP Members and Partner Organisations,

Following on from the previous Circular 23/61 circulated earlier this month to members for upcoming consultations with Mr. David Sheppard, we attach herewith a copy of the questionnaire which includes a brief background on the current funding situation, for your information in advance of arranged meetings with Mr Sheppard.

Mr. Sheppard will be contacting focal points of SPREP members and partners to arrange for consultations on this matter and he will take the opportunity provided by the SPREP Meeting in September to arrange meetings with SPREP Members, Donors and Partners that will be present.

The Secretariat, therefore, seeks the support and availability from members and partner organisations in the review of its Core Funding Structure.

Please contact our Secretariat through Mrs Petra Chan Tung, Director Finance and Administration on petrac@sprep.org, for any queries. Alternatively, you can reach us by telephone at +685 21929.

We look forward to your support to the review work undertaken by Mr. Sheppard.

Thank you for your ongoing cooperation.

Yours sincerely,

Sefanaia Nawadra
