***'Our People, Our Strength: Securing Our Pacific Future'***

Dear Members,

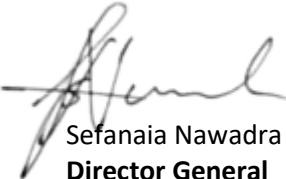

The biennial Pacific Resilience Meeting is a key component of the Pacific Resilience Partnership (PRP) governance arrangements endorsed by the Pacific Island Forum Leaders in 2017. The third installment of the PRM will be convened from 11-13 October 2023 and delivered through designated national hubs and through the 2023 PRM Online Platform.

Like its predecessors the 2023 PRM provides a platform that elevates and demonstrates relevant Pacific-led resilience actions that inspire genuine learning and connection through diverse and inclusive approaches from our home to the global stage.

In this respect, we are pleased to convey the attached letter from the Chair of the Pacific Resilience Partnership Task Force, **Ms. Lealaisalanoa Frances Brown Reupena** on behalf of the Pacific Resilience Partnership Support Unit which comprises Pacific Islands Forum Secretariat (PIFS), Secretariat of the Pacific Community (SPC), and Secretariat of the Pacific Regional Environment Programme (SPREP).

To participate, please register on the link provided here [Registration Form Link](#) and in the attached 'Invitation Letter.'

Yours sincerely,

Sefanaia Nawadra
