

GOVERNMENT OF THE INDEPENDENT STATE OF SAMOA
Ministry of Foreign Affairs and Trade

Note No. 13/301

The Ministry of Foreign Affairs and Trade of the Independent State of Samoa presents its compliments to the Embassy of Japan, Apia and has the honour to submit herewith a request entitled the **Pacific Climate Change Centre (PCCC) Project** for the consideration of the Government of Japan.

The Ministry of Foreign Affairs and Trade has the further honour to advise that the Pacific Climate Change Centre proposal has the full support of the Government of Samoa. The Pacific Climate Change Centre (PCCC) Project is of significant importance to the region and represents cooperation amongst Pacific island nations together with the region's developmental partners to address and respond effectively to the impacts and serious challenges faced by Pacific Island nations as a result of Climate Change.

Attached in this regard is the Project Proposal and respective supporting Attachments which seeks funding support from the Government of Japan.

The Ministry of Foreign Affairs and Trade respectfully seeks the kind assistance of the Embassy of Japan in transmitting to the relevant competent Authorities in Japan, the Pacific Climate Change Centre Proposal for funding consideration.

The Ministry of Foreign Affairs & Trade of the Independent State of Samoa avails itself of this opportunity to renew to the Embassy of Japan, Apia the assurances of its highest consideration.
