Travel Costs and Per Diems

9. The Fifth SPREP Meeting in 1992 decided to assist smaller island members only, with payment of travel and per diem expenses associated with the SPREP Meeting. It was agreed that other members pay their own expenses. The smaller island members eligible for assistance are Cook Islands, Kiribati, Republic of Marshall Islands, Nauru, Niue, Tokelau and Tuvalu.

10. The Secretariat will therefore meet the following costs for one representative from each of these members:

- one return economy class airfare, or excursion if available, by the most economic direct route between that country and Apia; and
- a per diem allowance at prevailing SPREP rates to cover nights necessarily spent in transit to and from Apia and accommodation, meals and miscellaneous expenses for the duration of the Meeting.

NB. These allowances will be paid on the first day of the Meeting.

11. On receipt of the name of the smaller island member representative to whom the assistance is directed, the Secretariat will organize a Prepaid Ticket Advice (PTA) to cover the necessary airfares for one participant only. Please provide nominations as soon as possible to the Secretariat either by email or facsimile.

Visas and Entry Requirements

12. Except for travellers using United States passports who are US nationals, visitors to Samoa do not require an entry visa for stays of up to 60 days, on the condition visitors have an onward or return ticket and valid passport (six months or more) and the right of reentry into their countries of normal residence. However, the local authorities have offered to grant exemption from entry visas for members travelling on US passports who are US nationals. In this regard you are kindly requested to provide the Secretariat at an early date with the names and passport details of your delegation.
