 - ii. approved the draft Terms of reference and timeline for the Review noting the intention to establish a Reference Group to guide the Review;
 - iii. directed the Secretariat to ensure the outcomes of the combined Review are considered by the 2021 SPREP Meeting; and
 - iv. noted the interest in principle from Australia and New Zealand to assist with funding the Review noting that this is not included in the 2021 budget.

 - the SPREP Troika, Governance Group and Secretariat may provide their final comments to the consultants by Friday 10 September.
 - the final report with the comments from the consultants and the Secretariat to be shared with all Members by Friday 17 September.
 - the Special Meeting of Members on the Independent Corporate Review and the Mid-Term Review of the SPREP Strategic Plan 2017-2026 to be postponed from 30 September to 8 October, to allow Members adequate time to review the Final Report, noting the importance of member ownership in the future of SPREP.
