CIRCULAR: 18/61
SUBJECT: **Support available to support attendance at UNFCCC COP 24**

TO: SPREP National Focal Points
and Climate Change Focal Points
from Pacific Island Countries

Dear Members,

SPREP has just been able to secure funding in order to support participation of Pacific Island Countries only to the 24th Conference of the Parties to the United Nations Framework Convention on Climate Change. Funds are sufficient to provide funding for 1 delegate from all 14 Pacific Island Countries and we are grateful to the Governments of Ireland and New Zealand for their very generous support.

We invite you to nominate 1 delegate to attend the COP, and are in particular keen to have nominations that are deemed by you to be crucial to the negotiations, as per the request of the funders.

Please complete the attached form and send to Espen Ronneberg (espenr@sprep.org) with copy to Filomena Nelson (filomenan@sprep.org) together with the photo page of the passport. Given the short time available since confirming the funds, and the need to quickly process travel, it is of the utmost importance that we receive the nominations by **2 November 2018**. Please note SPREP **will not** be able to process requests after that deadline, noting that airfares are getting more expensive as we get closer to the COP.

Yours sincerely,

Kosi Latu
Director General
