DATE: 28 February 2020
CIRCULAR: No. 20/13

TO: Climate Change Focal Points
CC: SPREP National Focal Points

SUBJECT: Call for nominations: Training - “**Climate Change Adaptation and Disaster Risk Reduction** (Adaptation options of land use management, physical structures and human mobility), 20 April – 1 May 2020, Pacific Climate Change Centre, SPREP, Apia, Samoa.

Dear Focal Points,

Further to SPREP Circular 20/07 on 14 February, I am pleased to announce that nominations are now being accepted for the second regional training on “Climate Change Adaptation and Disaster Risk Reduction - adaptation options of land use management and physical structures and human mobility” prepared through the Project for Capacity Building on Climate Resilience in the Pacific (CBCRP-PCCC) in partnership with JICA and the Government of Samoa on 20 April – 1 May 2020 at the Pacific Climate Change Centre (PCCC) in Apia, Samoa.

JICA will fund two trainees from each Pacific Island Country who oversee climate change adaptation and disaster risk reduction activities in their respective countries. If a country would like to send more than two participants, we will welcome the additional trainees at the country’s own cost.

Territories are welcome to participate at their own cost.

Nominees are required to do preparatory work before the training as explained in the General Information.

All nominations must be completed with using the Nomination Form attached to the General Information of the training, and sent **from Climate Change Focal Points** to the project team of CBCRP-PCCC at cbcpr.pccc@gmail.com, at your earliest convenience but no later than **13 March 2020** (Friday).

Yours sincerely,

Roger Cornforth
Acting Director General
