**SUBJECT: Information Note for the 2021-2022 training programs under the Project for Capacity Building on Climate Resilience in the Pacific, Pacific Climate Change Centre, SPREP, Apia, Samoa**

Dear Focal Points,

I am pleased to inform you that the Project for Capacity Building on Climate Resilience in the Pacific” (CBCRP-PCCC) in partnership with JICA and the Government of Samoa is planning to deliver eight capacity training programs in 2021 – 2022.

Please refer to the attached tentative schedule, objectives, targeted participants, and modules of these planned training programs for details. In anticipation of these training programs, we look forward for your usual support in the nomination process of participants. The tentative schedule of these training programs has been drafted assuming that the project period will be extended due to the COVID-19 pandemic. Please note that the procedure for extending the project period is underway and you will be informed once the request for extension is approved.

We will further develop the detailed agenda of the training programs and share with you the confirmed schedule. For any queries in the interim, please contact the CBCRP-PCCC project team at [cbcrp.pccc@gmail.com](mailto:cbcrp.pccc@gmail.com).

Kind regards,

Roger Cornforth
