Dear Members,

This serves as an update on the Third Independent Corporate Review of SPREP and Mid-Term Review of the SPREP Strategic Plan 2017-2026. In 2020 the 2nd SPREP Executive Board Meeting:

i. approved the proposal to combine the Independent Corporate Review of SPREP with the Mid-Term Review of the SPREP Strategic Plan 2017-2026, to be undertaken in 2021 at lesser cost than that of two separate reviews;

ii. approved the draft Terms of reference and timeline for the Review noting the intention to establish a Reference Group to guide the Review;

iii. directed the Secretariat to ensure the outcomes of the combined Review are considered by the 2021 SPREP Meeting; and

iv. noted the interest in principle from Australia and New Zealand to assist with funding the Review noting that this is not included in the 2021 budget.

Natural Solutions Pacific have been selected by Public Tender to undertake the Third Independent Corporate Review of SPREP and Mid-Term Review of the SPREP Strategic Plan 2017-2026. The joint reviews aim to assess the overall performance of the Secretariat and to undertake a mid-term review of the current Plan since the last reviews were conducted and endorsed at the 25th SPREP Meeting in 2014. This consultancy has been made possible with the generous support of the Governments of Australia and New Zealand.

The Natural Solutions Pacific team is made up of six internationally respected leaders in the Pacific islands on regional, environmental and development issues. The team consists of Dr Russell Howorth, Mr Simon Clegg, Ms. Nicola Thomson, Ms. Ana Laqeretabua, Mr. William Kostka, Mrs. Teresa Manarangi-Trott and Mr. Zoltan Kahn. Refer to Annex 1 for Brief on Natural Solutions Pacific Consultancy team and Annex 2 for the Terms of Reference.

To ensure there is ownership of the review process, the consultancy will be overseen by the SPREP Governance Group which consists of Members who have volunteered: Samoa for Troika, Australia, Cook Islands, Federated States of Micronesia, New Zealand, and Vanuatu; and the Secretariat.

The reviews will include extensive virtual consultations with key stakeholders including SPREP Members, Partners and the Secretariat, through:
a. surveys to be disseminated latest by 18 June  
b. a series of sub-regional workshops to be conducted from 28 June to 23 July  
c. smaller virtual meetings and interviews from 19 to 30 July  

Due to the tight timeframe to undertake the reviews only the initial findings of both reports will be presented to the 30th SPREP Meeting on 7 September 2021 and the final reports will be discussed and endorsed in a Special Meeting of Members tentatively scheduled for 30 September 2021.

The last reviews of SPREP were conducted in 2014 led by a consortium of consultants under the leadership of Professor John E. Hay. For more information on the last reviews, please visit the following links for a copy of the 2014 Independent Corporate Review and Mid-Term Review of the SPREP Strategic Plan (2011 - 2015) or contact the Secretariat through the Executive Officer (audreyp@sprep.org) who will be the key Secretariat liaison point for the consultancy.

The Secretariat will provide further advice on details of the planned consultation meetings in due course. On behalf of your Secretariat, we look forward to your support in these two very important reviews of SPREP, which will help assess our current and past performance and how we may navigate our future for a more Resilient Pacific.

Yours sincerely,

Kosi Latu  
Director General
