**SUBJECT:** Programme of Events for the Moana Blue Pacific Pavilion at the UNFCCC COP28 in Dubai, United Arab Emirates

SPREP Members and Partners,

In the spirit of Pacific Partnership, the Secretariat of the Pacific Regional Environment Programme (SPREP) on behalf of our Pacific Island Developing States Members are again hosting the Moana Blue Pacific Pavilion. The Pavilion is also a partnership with Aotearoa New Zealand and Australia. Please find attached the programme as at 24 November 2023, which will be uploaded to the official COP28 website very shortly.

The Moana Blue Pacific Pavilion will host various events initiated by Pacific Island stakeholders including those from Pacific Island governments, private sector, civil society and CROP agencies as well as the Aotearoa New Zealand government and Australian Government and other partners.

The Moana Blue Pacific Pavilion will operate from 30 November to 12 December 2023 and will ensure the spirit of Pacific Partnership continues and the presence and voice of the Pacific is amplified at COP28. More information will be shared shortly by the team including links to the official website.

We are pleased to again provide technical advice, support and assistance to our Pacific delegates and partners at COP28. For more information on the Moana Blue Pacific Pavilion please do not hesitate to contact the COP28 team via email [cop28@sprep.org](mailto:cop28@sprep.org).

You may join in person or virtually noting the dates and times are local time of the COP28 host, Dubai, United Arab Emirates. For those who will be at COP 28, please support our Moana Blue Pacific Pavilion through your presence at the Pavilion to help host our Visitors and Amplify our Pacific Voice.

Kind regards,

  
Sefanaia Nawadra  
Director General
