DATE: 2 November 2023
CIRCULAR: 23/93

To: SPREP National Focal Points
SPREP CROP Organisations
SPREP Partner Organisations

Dear SPREP Members, Partner Organisations and Staff,

Subject: Survey for review of the Core Funding Structure of SPREP and to assist in the Development of its Finance & Resource Sustainability Strategy

Following on from the Circular 23/61 circulated in August to members for the Core Fund Structure review work and consultations being undertaken with Mr David Sheppard and his review team, we kindly inform that the next stage involves collecting information from SPREP Members, Partners and Staff through a survey. This survey is largely multiple choice and will take 10-15 minutes to complete using the following link also shared in the email:

<https://www.surveymonkey.com/r/6QPDSPB>

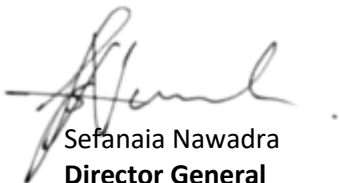

The Secretariat, therefore, seeks the kind support and availability from members and partner organisations, in completing this survey on behalf of your organisation, or yourself by **24 November 2023**.

We count on your usual assistance and support through completion of this survey. The results of completed surveys goes directly to the Consultancy team who shall be analysing and reviewing the results for the above review work.

Please contact our Secretariat through Mrs Petra Chan Tung, Director Finance and Administration on petrac@sprep.org, for any queries. Alternatively, you can reach us by telephone at +685 21929.

Thank you for your ongoing cooperation.

Yours sincerely,

Sefanaia Nawadra
Director General
