SUBJECT: Pacific SIDS Post-COP28 Analysis Workshop, 27 February – 29 February 2024, 12:00 – 16:00 (SLT), Virtual

Dear Focal Points,

The Secretariat in collaboration with Climate Analytics and One CROP will hold the virtual PSIDS Post-COP28 Analysis Workshop from 27 February to 29 February 2024, from 12:00 to 16:00 Samoa Local Time.

This meeting is critical in setting the collective PSIDS priorities in the lead up to the UNFCCC Subsidiary Bodies sessions in June and COP29 in November 2024.

The meeting will enable PSIDS delegations to reflect on the outcomes of COP28 and what it means for the Pacific region in dealing with the impacts of climate change. It will also provide an opportunity to reflect on lessons learnt from the engagement of PSIDS Political Climate Change Champions and negotiators at COP28. The outcome of the meeting will inform preparatory activities in the lead up to, and at, COP29.

The Secretariat is seeking your kind assistance to confirm the names and emails of your delegation who will virtually participate in this meeting before close of business (Samoa Local Time) on Thursday 22 February 2024. Only nominated participants will be given the zoom link for this meeting and the agenda.

For more information, please contact Ewan Cameron, via email ewanc@sprep.org and copy to Teuila Fruean, via email teuilajane@sprep.org.

Yours sincerely,

Easter Chu Shing
Acting Director General
