CIRCULAR: 25/105

TO: SPREP National Focal Points
SPREP Partners
CROP Partners

SUBJECT: Moana Blue Pacific Pavilion Programme of Side Events and Guide at the UNFCCC COP30 in Belem, Brazil from 10 to 21 November 2025

Bula SPREP Members and Partners,

In the spirit of Pacific Partnership, the Moana Blue Pacific Pavilion with the generous funding support of New Zealand and Australia, will host a significant number of Pacific focussed side events that will be showcased at COP30 in Belem, Brazil. The Pavilion will highlight our Pacific Islands and their climate change stories of innovation, leadership, solutions and challenges.

Noting the call for side event applications closed in the first week of October, it is our pleasure to present the Moana Blue Pacific Pavilion programme of side events as at 24 October 2025. This includes an outline of all the events, plus information provided by the respective organisers. The Pavilion will host almost 80 diverse events, predominantly initiated by Pacific island stakeholders including those from government, civil society, research agencies, UN and CROP agencies, and other partners of our Pacific region.

We encourage all our SPREP Members and Partners to share the programme wide and far, and to invite interested stakeholders who will be at COP30 to attend our Pacific events to help amplify our Pacific voice! For any further information you may reach out to the Moana Blue Pacific Pavilion team via COP30@sprep.org.

We have also prepared a side event guide, which helps organisers and visitors alike understand what is available in the Moana Blue Pacific Pavilion, what the team may provide and support, as well as roles and responsibilities of all who use the Pavilion.

Our side events programme and guide are also available on our SPREP website.

While I will not be at COP this year, Ms. Tagaloa Cooper, Director of Climate Change Resilience is the SPREP Head of Delegation and Chair of the One CROP team. Our One CROP team look forward to meeting you all in Belem and supporting our Pacific delegates to achieve successful outcomes for our Blue Pacific. #1pt5toStayAlive!

Vinaka,

Sefanaia Nawadra
Director General
