FILE: AP 1/1 **TO:** SPREP Members
DATE: 21 November 2025
CIRCULAR: 25/111
SUBJECT: 7th International IKI Small Grants Call for Proposals

Dear Members,

The Secretariat is pleased to share that the IKI Small Grants 7th Call for Proposals is now open.

Details from the IKI Small Grants Team copied below for your information:

IKI Small Grants launched its 7th International Call for Proposals on 17th November at COP30 in Belém, Brazil. The call addresses local organisations in ODA-eligible countries with an average annual revenue between 60,000 and 500,000 euros. They are invited to apply for funding of local or regional climate and biodiversity action projects. IKI Small Grants provides funding between 60,000 and 200,000 euros. As part of the German Federal Government's International Climate Initiative (IKI), the IKI Small Grants programme supports projects and organisations worldwide that tackle climate change, address local adaptation, and conserve forests and biodiversity. Besides financing, organisations receive support in building their role as strong actors through capacity development measures.

Local organisations are encouraged to apply. Registration is now open until 15 January 2026.
