

CIRCULAR

FILE: AP 6/4 **TO:** SPREP National Focal Points
DATE: 13 July 2026
CIRCULAR: 26/65
SUBJECT: **Invitation to Online Consultation for the Circular Pacific via Regional Recycling Network (CP-RRN) Project**

Dear Members,

The Secretariat of the Pacific Regional Environment Programme (SPREP) and the Asian Development Bank (ADB) invite you to attend or nominate officers to attend an **Online Zoom Consultation** for the **Circular Pacific via Regional Recycling Network (CP-RRN) Project**, scheduled for **31 July 2026, 2pm Samoa time**.

The CP-RRN Project aims to address growing solid waste management challenges across the Pacific region. The overall outcome is to support collection, processing, and export of target waste streams through the establishment of a regional recycling network, supported by hub facilities and regional agreements. Further information can be found in Circular [26/37](#).

The purpose of this online session is to present findings of Country and Regional Assessments, and to seek feedback from participating countries to validate findings. The session will provide an opportunity to discuss outcomes, regional themes, common strengths, gaps, issues and opportunities, and proposed interventions to be considered for the next stage of the project.

Attendance at this online consultation will serve as an important preparatory session for the **Circular Policy Co-Design Workshop & Training** to be held on **16–18 September 2026 in Port Vila, Vanuatu** (announced in Circular [26/52](#), with the nomination process to follow shortly).

Accordingly, we seek attendees for the online session to be the same representatives who will join the September co-design workshop and training in Port Vila, recommended as:

- one senior government official with responsibility for waste infrastructure and policy, and
- one government official, at central or municipal level, with responsibility on waste management services.

Details for the online zoom call are as follows:

CP-RRN - Presentation of Findings and Discussion on Pathway Forward

Date: Friday, 31 July 2026

Time: 2pm - 5pm (Samoa time)

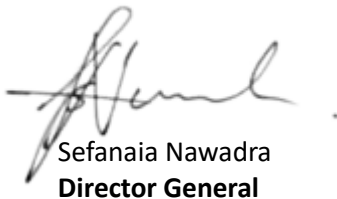

Zoom:
