SUBJECT: EU participation SPREP Biennial meetings

Dear Members,

The attached request from the EU in regards to its formal participation in the SPREP Biennial meetings is shared for your information.

Please note this request will be discussed under AOB of the Executive Board Meeting agenda scheduled for the 10th & 11th September. As this is a matter which in my view is important to all members I propose that the Executive Board initially discuss and note this request with a view to allowing the 2019 SPREP Biennial meeting to discuss and make a decision on this matter.

Yours sincerely,

Kosi Latu
Director General
