This is a preliminary drawing. It is intended for review only and may not be used or reproduced for any other project or purpose.
Check all dimensions and levels in the field and report any discrepancies prior to the commencement of work and any further construction.
Changes are to be made in consultation with all relevant stakeholders.
Scale: 1:100 (unless otherwise stated).
S.A. Change control governs the accuracy of content and format for copies of drawings issued electronically.
The completion of the issue sheets attached and attached sections is a condition of the release of the drawing. The drawing shall not be used for construction unless indicated that it is 'Complete' and authorized for issue.
