### **Question 1:**

The RFT contract end date is July, however there is a stated requirement, "...the Consultant will be expected to support SPREP to prepare a working paper providing an update to the SPREP Meeting in September 2025". Is it expected that the consultant finalises this working paper in July, or will this need to be finalised closer to the September meeting?

### **Response:**

Must be by June as working papers should be submitted in June.
