---

### **Question 1:**

The TOR emphasises practical behaviour change interventions and development of a replicable toolkit. Could SPREP please confirm whether the consultant is permitted to allocate a small prototype budget within the lump sum fee to trial low-cost interventions during delivery (e.g., reusable meeting kits, office signage, pilot procurement alternatives)?

### **Response:**

- All proposed costs shall be clearly presented in the Technical Proposal highlighting its relevance and benefits to the Activity.
  - Such costs should not be included in the Quoted Consultancy costs.
