

ANSWERS TO CLARIFICATION QUESTIONS

File: AP_3/29

Date: 26 June 2020

To: Interested suppliers

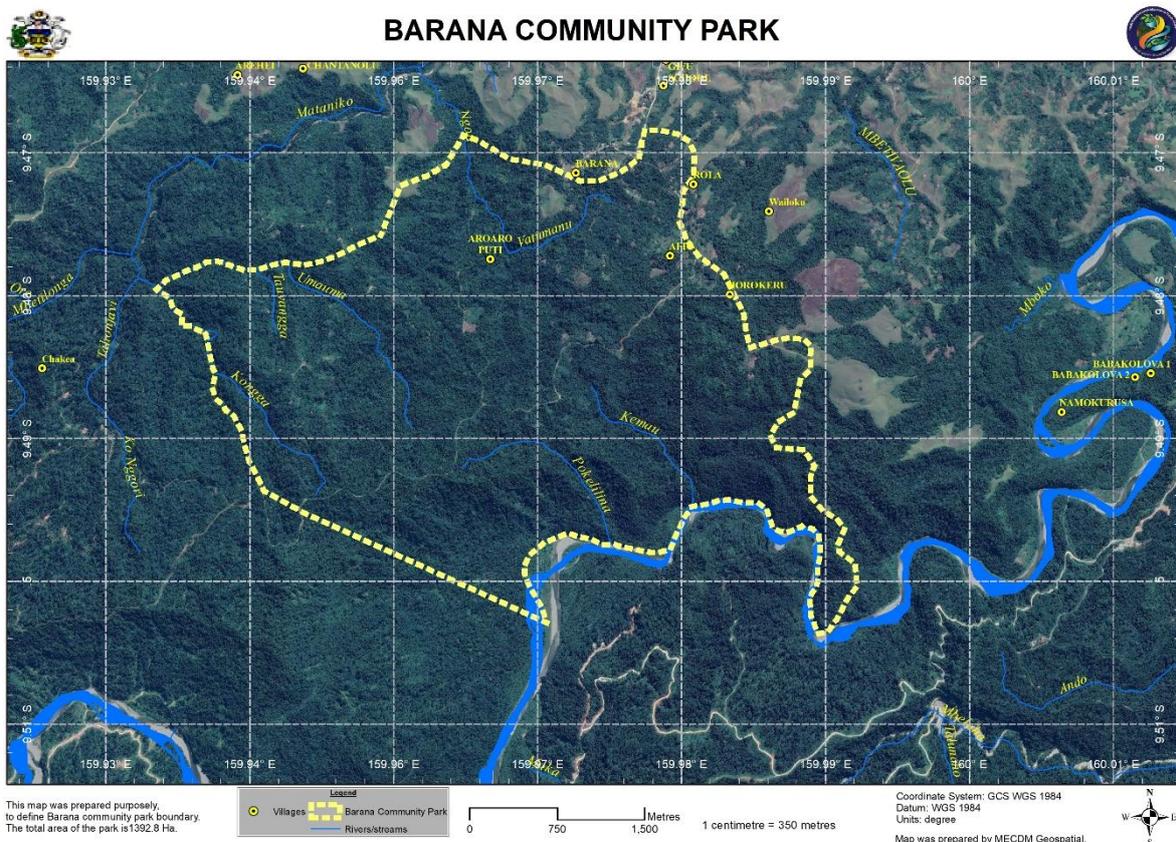

Contact: Maraea S. Pogi maraeap@sprep.org

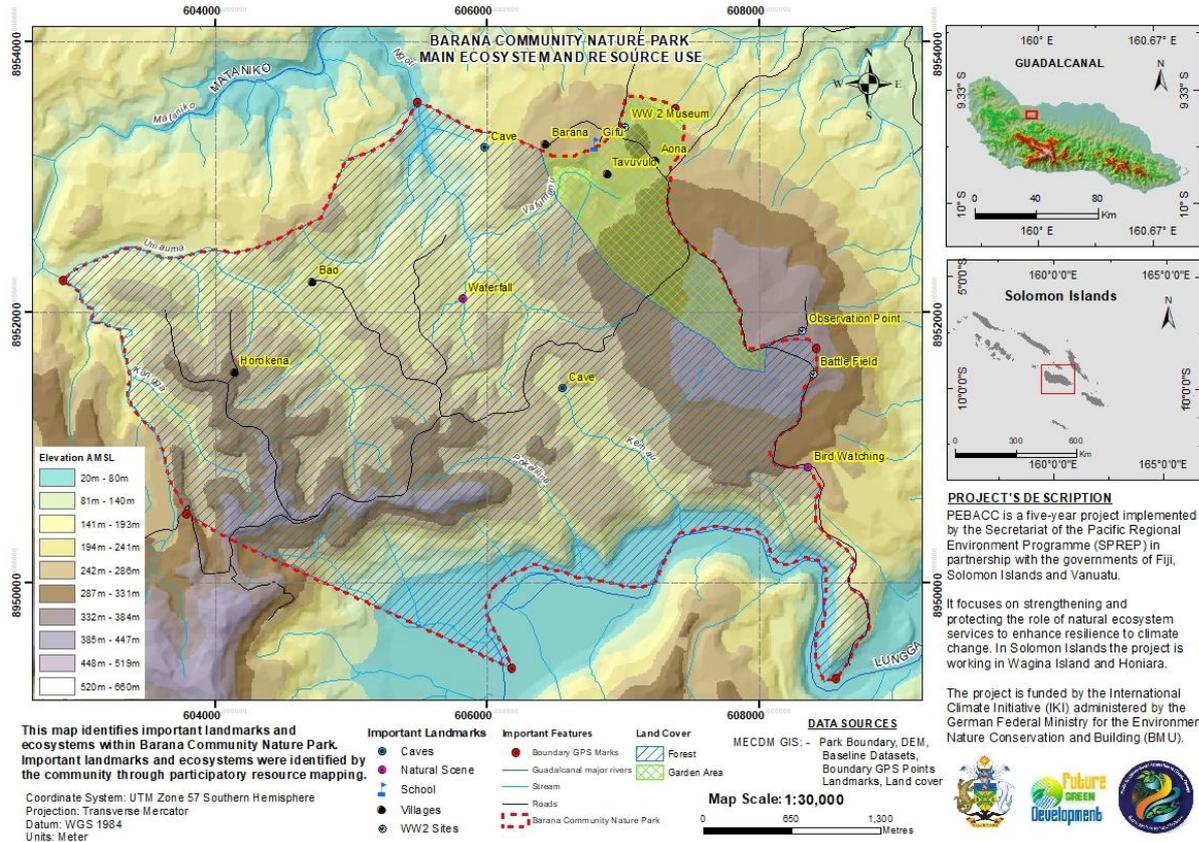

Subject: Request for tenders: **Consultancy to map the Barana Nature and Heritage Park Boundary to include the whole Mataniko Catchment and parts of Lunga/Betikama/Boko Catchment (Honiara Water Source)**

Question 1:

Would I be able to see a map (or the shapefile) of the site?

Response:

Question 2:

Could you please confirm if a registered surveyor is required to complete the work in the Solomons?

Response:

If applicant is not a registered surveyor, relevant skills and experience in this area should be well articulated

Question 3:

roughly what is the budget?

Response:

The budget for this work is estimated at USD 10,000

Question 4:

It is our understanding that the Lunga catchment is approximately 500 km² - our query is with respect to boundary of project area. Does the RFT include the entire Lunga catchment or does it simply cover the area close by the lower Lunga?

Response:

Cover only parts of Lunga, refer to Question 1

Question 5:

Furthermore, what data is available for the Mataniko and Lunga catchments?

Response:

As identified in the Term of Reference, refer to the Pacific Ecosystems-based Adaptation to Climate Change (PEBACC) work in Solomon Islands, report on Ecosystem and Socio-economic Resilience Analysis and Mapping is available online

Question 6:

Please confirm if there is any existing conditions documentation/Data and similarly proposed plans etc for the project area. Is it possible that these be provided prior to close of tender?

Response:

Refer to Question 1 and Question 5

Question 7:

Confirmation that all 3 projects are to be completed by 31st September 2020 - this means consultancy period is from approximately July to September.

Response:

It may not necessarily take exactly 3 months, but work needs to be completed within 3 months

Question 8:

Is it possible to disclose ball-park figures in terms of budget per project?

Response:

Refer Q3.
