D. ADMINISTRATIVE INFORMATION
A. Background Information on SPREP

The Secretariat of the Pacific Region Environment Programme (SPREP) is the regional organisation established by the Governments and Administrations of the Pacific charged with protecting and managing the environment and natural resources of the Pacific.

The head office is based in Apia, Samoa with other SPREP offices in Fiji, the Republic of the Marshalls Islands and Vanuatu.

SPREP has around 150 staff and has an annual budget of approximately USD35 million in 2022.

The establishment of SPREP in 1993 sends a clear signal to the global community of the deep commitment of Pacific island Governments and Administrations for better management of the environment within the context of sustainable development.

The strategic direction for SPREP is clearly set out in the 2017-2026 SPREP Strategic Plan. The Plan outlines the mandate, vision and programmes for the organisation, and places strong emphasis on effective delivery of services to SPREP Member countries and territories.

**Mandate**

SPREP’s mandate is to promote cooperation in the Pacific region and provide assistance to Pacific island countries and territories in order to protect and improve its environment and to ensure sustainable development for present and future generations.

**Vision**

SPREP is guided by its vision for the future:

“A resilient Pacific environment, sustaining our livelihoods and natural heritage in harmony with our cultures”.

**Members**

SPREP has 21 Pacific island member countries and territories:

<table>

and 5 ‘metropolitan’ member countries with direct interests in the region:

- Australia,
- France,
- New Zealand,
- United Kingdom and
the United States of America;

**SPREP Goals and Objectives**

The Secretariat continues to strengthen and realign its institutional capacities, competencies, and systems to best support its Members by delivering more integrated, responsive, and cost-effective services to Members and partners and by better coordinating regional efforts.

SPREP’s Pacific and metropolitan members agreed that SPREP’s Strategic plan should span 10 years to address critical environmental and related social and governance strategic priorities, which are reflected in the strategy’s regional and organisational goals and objectives, as well as in SPREP’s core ‘Values’.

**Regional Goals**
- **Regional Goal 1**: Pacific people benefit from strengthened resilience to climate change;
- **Regional Goal 2**: Pacific people benefit from healthy and resilient island and ocean ecosystems;
- **Regional Goal 3**: Pacific people benefit from improved waste management and pollution control;
- **Regional Goal 4**: Pacific people and their environment benefit from commitment to and best practice of environmental governance.

**Organisational Goals**
- **Organisation Goal 1**: SPREP has information, knowledge, and communications systems that get the right information to the right people at the right time and influence positive organisational, behavioural and environmental change.
- **Organisation Goal 2**: SPREP has multi-disciplinary processes in programme delivery and in supporting Members to develop national and regional policies and strategies.
- **Organisation Goal 3**: SPREP has a reliable and sustainable funding base to achieve environmental outcomes for the benefit of the Pacific islands region and manages its programmes and operations to stay within its agreed budget.
- **Organisation Goal 4**: SPREP is leading and engaged in productive partnerships and collaboration.
- **Organisation Goal 5**: SPREP has access to a pool of people with the attitudes, knowledge, and skills to enable it to deliver on its shared regional vision.

**SPREP’s Values**

SPREP approaches the environmental challenges faced by the Pacific guided by four simple **Values**. These values guide all aspects of our work:
- We value the Environment
- We value our People
- We value high quality and targeted **Service Delivery**
- We value **Integrity**

</tbody>
</table>
|  |  | • Support and advice is provided to Pacific Island Members on relevant regional and global conventions including improved process, quality and timeliness of work  
|  |  | • Improved Pacific Island Members awareness of negotiations outcomes and their implications  
|  |  | • Strengthened regional and national awareness and implementation of pollution strategies  
|  |  | • Improved and strengthened regional partners networking, coordination and collaboration in support of Pacific Island Members pollution priorities |  |  |
### 4. Fundraising, resourcing and project management/support;

| a) Identify and actively pursue secure funding opportunities and liaison with donors for the Pollution team activities |
| b) Design, develop and coordinate funding concepts and proposal developments that support SPREP and Member needs on key pollution issues |
| c) Provide project development and management support, where necessary |

- New funding concepts developed and submitted
- Existing and new funding opportunities are secured for the team activities
- New partnership for implementation with resources secured
- Project development and management support is provided to SPREP projects, where necessary

### 5. Monitoring, evaluation and reporting

| a) Contribute and provide technical advice to SPREP Senior Leadership Team on the development, implementation and monitoring and evaluation of the Secretariat’s strategic plans and work programmes and budget |
| b) Prepare technical and performance reports to Senior Leadership Team and Donors, where necessary |
| c) Lead in coordinating and providing reports to donors, partners and Members on key marine and terrestrial pollution issues including regional coordination mechanisms and lessons learned on pollution initiatives |

- Relevant and timely pollution advice, policy submissions and reports are provided to SPREP SLT and to members, where necessary
- Effective and timely reporting to donors, partners and participating countries

### 6. Communications and capacity building

| a) Provide technical advice on marine and terrestrial pollution data and information that support and promote the work of SPREP’s waste management and pollution control in the region |
| b) Coordinate communication and information sharing, integrated planning and implementation of marine and terrestrial pollution work across the WMPC’s work and programmes. |
| c) Carry out relevant capacity building in relevant areas of marine and terrestrial pollution for SPREP Members |

- Marine and terrestrial pollution data and information is disseminated through relevant networks and audiences for awareness and promotion of SPREP’s waste management and pollution control in the region
- Pollution strategies and key issues are shared, and integrated into planning and implementation of marine and terrestrial pollution work across the WMPC’s work and programmes and into national policies, sector plans and budgetary processes
- Relevant capacity building and training initiatives provided to strengthen SPREP and Member’s positions and capabilities

---

**Note**
The above performance standards are provided as a guide only. The precise performance measures for this position will need further discussion between the Jobholder and Director/Supervisor as part of the Performance Development System.

This section may be copied directly into the Performance Development Plans.

**Work Complexity**

**Most challenging duties typically undertaken:**

- Coordination and provision of timely and accurate briefings and advice to Senior Leadership Team and Members
- Leading and managing a technically complex work area and providing timely guidance to the Pollution Team and the Waste Management & Pollution Control Programme
- Leading, coordination and collaboration with other regional agencies and stakeholders
- Securing funding and resources
- Ensuring the presence of SPREP remains at the fore in the regional and international arena and initiatives;
- Ensuring that SPREP is regarded as a credible national and/or regional partner

**Functional Relationships & Related Skills**

**Level of Delegation**

The position holder:
Person Specification

This section is designed to capture the expertise required for the role at the 100% fully effective level (this does not necessarily reflect what the current jobholder has). This may be a combination of knowledge / experience, qualifications or equivalent level of learning through experience or key skills, attributes or job specific competencies.

Qualifications

Essential

1. Minimum qualifications of a Master degree in Environmental Science, Environmental Management or other relevant technical field from a recognised institution OR a Bachelor degree in lieu, with applied relevant work experience in excess of the minimum required relevant work experience.

Knowledge / Experience

Essential

2. At least 10 years of extensive experience in marine and terrestrial pollution management and control, preferably within the Pacific islands region, with at least 7 of those at the strategic and senior leadership and advisory level

3. Extensive knowledge of environmental issues, specifically marine and terrestrial pollution, as well as emerging pollution issues and challenges within Pacific Island Countries and Territories with excellent understanding and appreciation of environmental ethics, values and priorities

4. Extensive leadership and management experience including high level advisory and analytical skills as well as leading and nurturing teams of diverse technical backgrounds and expertise in multicultural and multi-disciplinary environments

5. Excellent project management and leadership experience including the development of funding proposals, design and delivery of integrated work programme activities, monitoring and evaluation of performance, resource management as well as a good understanding of synergies and inter-linkages across multilateral environmental agreements

6. Extensive knowledge of accepted and emerging environment and sustainable development concepts, principles and practices, and their application to pollution prevention and waste management in the Pacific islands
7. Excellent experience at strategic and high level communication, negotiation and reporting across diverse audiences, as well as extensive experience in capacity building and maintaining effective relationships, particularly in the Pacific setting

**Key Skills / Attributes / Job Specific Competencies**

The following levels would typically be expected for the 100% fully effective level:

| Expert level | • Leadership and Advisory  
• Analytical and Environmental knowledge  
• Project development, monitoring and evaluation  
• Work programme planning, budgeting and implementation  
• Fundraising  
• Synergies and linkages with climate change issues, oceans, biodiversity and including key multilateral environmental agreements (MEAs)  
• Marine & terrestrial pollution issues in the Pacific islands region |
| --- | --- |
| Advanced level | • Environmental issues in the Pacific islands region  
• Emerging environmental issues and challenges |
| Working Knowledge | • General management principles |
| Awareness | • SPREP Strategic Plan  
• SPREP Work Programmes |

**Key Behaviours**

All staff are expected to uphold SPREP’s Organisational Values and Code of Conduct which are Key Behaviours forming part of the Performance Development:

• Environmental Leadership  
• Service Delivery  
• Valuing our People  
• Integrity

All managers and supervisors are expected to uphold SPREP’s established Leadership and Management Behaviours forming part of the Performance Development Plan.

**Change to job description**

*From time to time it may be necessary to consider changes in the Job Description in response to the changing nature of our work environment— including technological requirements or statutory changes.*
This Job Description may be reviewed as part of the preparation for performance planning for the annual performance cycle or as required.
C. REMUNERATION PACKAGE – TERMS & CONDITIONS

“Due to the current COVID-19 situation affecting the region, and the priority the Secretariat places on its staff safety, health and well-being, please note that there may be delays in taking up the appointment. There will be an opportunity to discuss this matter thoroughly with the successful candidates and any appointment and on-boarding would only proceed when regional conditions permit the deployment of new staff”.

Duty Station: Apia, Samoa.

Duration: Appointment is for a term of 3 years initially with possible renewal up to a maximum of 6 years subject to performance during the initial term, continuity of related programme activities and availability of funds.

Salary: Salary is denominated in International Monetary Fund Special Drawing Rights (SDRs). Remuneration for this post falls within Band 12 of SPREP’s salary scale. Starting salary will be SDR41,822. Currently, the equivalent in Samoan Tala is SAT159,604 (USD66,502) per annum. Upon confirmation of probation, salary will be adjusted to SDR47,049 which is equivalent to SAT179,554 (USD74,814) per annum. All positions have been evaluated to reflect the level of responsibilities and level of experience and qualifications required.

Cost of living differential allowance (COLDA): A Cost-of-Living Differential Allowance of SDR5,233 will be paid to the successful candidate. The current equivalent in Samoan Tala is SAT19,970 (USD8,321). Cost-of-living differential allowance reflects the comparative cost of living difference between Suva and Apia. This allowance is reviewed periodically based on data determined by an independent reviewer.

Adjustments: Salaries and allowances for internationally recruited staff are paid in Samoan Tala and adjusted every month based on the monthly average in the value of the SDR relative to the Samoan Tala (SAT) at the time the salary payment is processed. SDR movement however is limited to within 5% above or below a reference point set annually. Remuneration is paid monthly in SAT equivalent. The international currency exchange rate at the time of writing is approximately USD1.00 = SAT$2.40

Term: For staff recruited from outside Samoa, the term begins from the day the appointee leaves his or her home to take up the appointment. Appointment is subject to a satisfactory medical examination and a clean police report, as well as a 6-month probationary period.

An appointment is terminated by (i) completion of term of contract (ii) one month’s notice by either party (iii) without notice by either party paying one month salary in lieu of notice or (iv) dismissed with or without notice as a disciplinary measure.

Performance Reviews: Annual performance assessments and performance rewards will be based on the Secretariat’s Performance Development System.

FOR STAFF RECRUITED FROM OUTSIDE SAMOA, THE FOLLOWING APPLIES:

Relocation Expenses: SPREP will meet certain appointment and termination expenses for staff recruited from outside Samoa, including transport and accommodation en-route for the appointee and accompanying dependant(s) between point of recruitment and Apia, and return, by the shortest and most economical route. This includes:
• economy class airfares;
• reasonable cost of packing, insuring, shipping and transporting furniture, household and personal effects on a 20ft container; and,
• up to 20 kilos of excess baggage each for the appointee and family.

Establishment Grant: A lump sum of SDR1,100 is payable upon taking up appointment and arrival in Apia. This is currently equivalent to SAT4,198 (USD1,749).

Temporary Accommodation and Assistance: On arrival in Apia, the appointee and dependent(s) are entitled to temporary accommodation at a suitable hotel or other fully furnished accommodation for up to 6 working days. The appointee will be assisted to settle into Apia. This will include help in finding suitable rental accommodation.

Privileges and Immunities: SPREP remuneration is tax-free for non-citizens or non-residents of Samoa, including duty-free importation of household and personal effects which have been owned and used by them for no less than six months, within 6 months of taking up appointment.

Repatriation allowance: The appointee is entitled to a repatriation allowance equivalent to two week’s salary, upon successful completion of contract, provided the contract is not extended or renewed.

FOR ALL INTERNATIONALLY RECRUITED STAFF, THE FOLLOWING APPLIES:

Education Allowance: Education expenses maybe reimbursed against actual receipts for dependent children, to cover up to 75% of the actual costs, as stipulated under SPREP’s Education Allowance policy. Currently the allowance is up to a maximum of SAT15,600 (USD6,500) per annum per dependent child, with an overall maximum of SAT46,800 (USD19,500) per annum per family of 3 or more eligible children.

School Holiday Travel: One return economy class flight each year between the place of education (taken to be recognised home) and Apia by (i) each dependent child being educated outside Samoa or (ii) the staff member or spouse to visit the child, providing the journey is not made within the final 6 months of the contract.

Family Leave Travel: Return economy class airfares between Apia and the recognised home for the staff member and dependants after completing 18 months of service for 3-year contracts providing no travel is undertaken within the final 12 months of the contract.

Housing Assistance: Internationally recruited staff shall receive housing assistance of 75% of the typical rent payable in Samoa for expatriate executive furnished housing. The current rate is SAT2,850 (USD1,096) per month. This assistance shall be reviewed annually and adjusted on relative movement in the local rental market.

Security Assistance: Security-related expenses maybe reimbursed against actual receipts up to SAT2,400 (USD923) per annum as stipulated under SPREP’s Security Assistance policy.

Annual Leave: 25 working days a year (up to a maximum accumulation of 50 days).

Sick Leave: 30 working days a year (up to a maximum accumulation of 90 days).
Other Leave: Provisions also exist for maternity, compassionate, paternity, examination and special leave (without pay).

Duty Travel: SPREP meets travelling expenses at prescribed rates necessarily incurred by staff required to travel away from Apia on official business.

Life and Accidental Death and Disability Insurance: All employees are covered by SPREP’s 24 hour Life and Accidental Death and Disability Insurance Policy.

Medical Benefits: All employees and their dependants are entitled to have all reasonable medical, dental and optical expenses met, under the terms and conditions of the existing SPREP Medical Insurance

Superannuation: All employees are required to contribute to the Samoa National Provident Fund. An expatriate internationally recruited staff member has the option to participate in the local Superannuation Fund or nominate another recognised Fund in their recognised home for their superannuation. SPREP will pay the minimum legal requirement of basic salary to the Samoa National Provident Fund or another approved nominated Fund. For Samoa, this is currently 10%.

Learning and Development
Learning and development opportunities will be based on the approved SPREP Performance Development System and individual Performance Development Plans.

Definitions:
'Dependant' means the spouse and financially dependent children of an employee.

'Dependent child' means an employee’s unmarried, financially dependent, natural or legally adopted child who is:
- under the age of 16 years; or
- under the age of 19 years if undertaking full-time study at a secondary school; or
- under the age of 25 years if enrolled and undertaking full-time study at a university or other tertiary institution; or
- mentally or physically incapacitated.

‘Expatriate’ means an internationally recruited staff member, who is not a citizen or permanent resident of Samoa, and who resides in Samoa only by virtue of employment with SPREP.

Equal Opportunities: SPREP is an Equal Opportunity Employer. Men and women are equally eligible for all posts in SPREP.

General: Appointment will be under the terms and conditions of SPREP’s Staff Regulations, a copy of which will be made available to the successful applicant.
4. ADMINISTRATIVE INFORMATION

**ESSENTIAL:** Applications should include:

1. Completed Application Form – can be downloaded from the Employment Section of our website (you are required to complete in full all areas requested in the Form, particularly the Statements to demonstrate you meet the criteria – DO NOT refer us to your CV. Failure to do this will mean your application will not be considered);
2. A detailed Curriculum Vitae.

**Applications that do not complete the correct SPREP Application Form and submit all the requirements stated above will not be considered.**

**SUBMITTING APPLICATIONS:**

a) **BY EMAIL (MOST PREFERRED OPTION):** Subject matter to be clearly marked “Application for Pollution Adviser” and send to recruitment@sprep.org OR

b) **BY POST OR FAX:** Application to be addressed and sent to: The Director General, SPREP, P.O. Box 240, Apia or fax number (685)20231 and clearly marked “Application for Pollution Adviser”

More Information on SPREP and its work in the region can be found on the SPREP website www.sprep.org

For further enquiries, contact Roger Warren on telephone (685) 21929 ext 325 or Email: rogerw@sprep.org

**Closing date: Friday, 3rd June 2022:** Late applications will not be considered.

SPREP is an Equal Opportunity Employer
